MESSAGE FROM MRS CURRAN

Dear Parents and Families

We have all had a fabulous start to this term in so many ways. Great learning attitudes from the children since the new year, the beginning of some very exciting Expeditionary projects, really strong attendance (thank you all) and to top all that, the nights are getting a little lighter!

In order to keep working to improve the ways in which we communicate with you all, we are going to issue a bi-weekly newsletter to support you to keep up-to-date with our busy school life. I will still write a more lengthy newsletter at the end of each term to share what we have been doing, but I know when I was a school parent, I was always the last to be organised! Writing about the past is wonderful for celebrating what we do so well, but it is not the most helpful way to support us all in managing the complex ways of living these days. We will also put the newsletter on the ParentApp every two weeks and our website, where we also share dates, events and information for you all.

To keep this first bi-weekly message from me fairly short, I would like to just thank you all for being such a strong, supportive and honest community of parents. We don't always get everything right for you all, but we will always keep trying.

Happy end of January when it comes this week...

Andrea Curran

WORK OF THE WEEK

We are delighted to share that the following children received recognition from their teacher and gained 'Work of the Week' in our Celebration Assembly:

Reception: Dolly for her knowledge of phonics.

Year 1: Tiger Lily for trying hard with her writing.

All of Year 2 crew for working well as a team.

Year 3: Jack for his huge improvement in handwriting.

Year 4: Hallie for working well in maths.

Year 5: Megan for working well in English.

Year 6: Chloe for working hard at home and in school with her reading.

Spanish: Ruby for excellent work.
