MESSAGE FROM THE HEADTEACHER

Dear Families,

Welcome to our final newsletter for this academic year – and what a year!

There has obviously been a very disappointing and frustrating end to this term, and we are all deeply sorry that we have had to continue with self-isolating and closing bubbles. We all dearly hope this summer sees an end to this control measure, and I will be in touch on Thursday 2nd September on all our communication platforms to explain how we will operate for the start of term for children on Monday 6th September.

The frustrations and challenges aside, we have also had so many wonderful moments in school with your children. Covid has forced us to take stock about all that truly matters and there are a few, positive lessons for all of us as a community which we will protect and hold dear. One has been the sense of community with your selves as parents, and the strong relationships all staff have with yourselves and our children. This is the bedrock of our school values and vision. We are all now looking forward to a safe, summer break and to the year ahead, full of education adventure and sense of pride in our school.

I would like to wish all our truly wonderful Crew 6 a super last few Leavers Days. I know you will all be a credit & gift to your new secondary schools. You are all going to be awesome adults - I really hope I will see you on Thursday 2nd September 4-5pm for your parents 'Thank you' Cream Tea – and the hug I will miss giving each of you this week.

Finally, I thank you for all your kindness, resilience and support over the past year and wish you bundles of best wishes for a great summer break.
Look after yourselves and take care
Andrea Curran.

Celebration Assembly Friday 9th July 2021

Nursery Crew: Sienna we are so impressed with your phonics work this week, you have joined in and have been using your robot arms to segment and blend cvc words. You even found the correct letters to match the sound in words. Well done Sienna!

Reception Crew: Kellin for a great week of imaginative play including a great drawing of Sponge Bob Square Pants.

Year 1 Crew: Skyla for her excellent written piece based on The Extraordinary Gardener. Skyla showed real flare in this piece using adventurous vocabulary in her expanded noun phrases and prepositions. We're looking forward to her writing the ending.

Year 2 Crew: Adam for completing every piece of work set to a really high standard while working at home!

Year 3 Crew: Aston for his excellent independent work on his newspaper report.

Year 4 Crew: Joey has impressed us so much during the last week with the connections and patterns he is able to find between numbers, like when he realised that 1 hundredth is the same as 0.1/10. Well done!

Year 5 Crew: Jak for his wonderful work on using bar modelling to solve percentage calculations.

Year 6 Crew: Ruby for taking on the responsibility of the year book and working on it at school and home to ensure it is completed,
