Use a LINE UP protocol - ask everyone to get into order youngest to oldest (they may need to ask about what month they were born in)

Then ask them to make a line up for other things e.g.

How high your knees are?

How long your hair is?

How close they live to school?

3) Today's Discussion

To round off our work for Anti Bullying Week each Crew is to come up with two or three pledges that they all agree to carry out. (one per Crew Leader)

Talk to your Crew about what a PLEDGE is... (maybe look up the dictionary definition before the Crew meeting?)

Then discuss what you could PLEDGE to do to make sure bullying doesn't happen in our school.

Use the sentence starter

"To help stop bullying and to show kindness to all people I pledge to..."

Once you have all agreed Crew leaders to write them on the pledge sheets
