MESSAGE FROM THE HEADTEACHER

Dear Families,

I hope you are all well and enjoying the stunning Autumn colours the year as we also head excitedly towards the festive season in school!

Thank you for all your support with school as we still continue to manage with some staff absence and with the need to keep Covid control measures still in place. We will review our risk assessment at the end of this term to see how we run school safely in January.

Christmas events have now been finalised and although we cannot yet 'open' fully, we are planning to make our schools Christmas as much as joint celebration with you as families as possible. Therefore, after feedback from some parents, we are going to continue as last year to film our lower school Christmas production (nursery, Reception, Year 1 and Year 2) and to invite each Crews parents into the hall, to watch the 'film premiere' with the children. In this way, everybody can see each child clearly and the children aren't as anxious, but can enjoy their own performance with you – and other family members in your own home! For Key Stage 2, we wish to hold our traditional KS2 Carol Service - so we are going to hold this after school at 5.30pm and would like every child in Crew 3, 4, 5 & 6 back in school, in festive clothes, trimmed up, hat-wearing and lantern holding with you, to sing outside, weather permitting. Please see all the important festive dates below.

We have a very busy but rewarding next few weeks in school and continue to be so proud of the children, their behaviour, their attitude to learning - and their character.

Warm regards and take care

Andrea Curran

If you have children in your family who are approaching 3 years old then please come to the office to put their names down for nursery places as soon as possible.

Dogs on the Yard

Please remember that even though we do love our furry friends we do not allow dogs on the yard unless they are small enough to be carried. Thank you for supporting us with this.

Reception Crew Families

Research and experience tells us that children who read regularly at home with their families learn to read much faster and enjoying reading much more. **Please joins Miss Leddy at the very important reading meeting at 9.00 a.m. on 19th November** in the school hall, so you understand how best to support your child at home.
