MESSAGE FROM THE HEADTEACHER

Dear Families

I hope this newsletter finds you all well and enjoying the generally warmer weather.

We are all well and settled back into this very busy term, starting with our Sports Day to end national sports week this Friday 25th June. Please see Mr Gustafson's letter for details.

We are so sorry that we cannot invite parents in for any school events at this point in time. Please may I ask you all to read the attached letter from the Leader of the Council, Cllr Graham Morgan sent to all Head Teachers outlining the growing concerns in the Borough.

At present, the Delta variant is doubling in cases every week in Knowsley and we are being advised to pull back to strict control measures once again in schools. This is very hard for schools as so much has been planned such as field trips, which will now not take place this summer term. We will ensure that come September, children will be offered the full range of experiences we want for them in school, Public Health Guidance permitting.

We will continue with our Y6 leavers week as much as possible in school, and ensure all our children have a wonderful summer term and smooth transition, if they are in a crew moving to a new teacher. We will be sharing this information next week with yourselves and the children, so you all have plenty of time to know this information ahead of September.

Whole School Birthday Day Bash

As so many children have missed having a birthday party with friends this past year, we are taking one day this term to have a Big Birthday Bash at SVP for every child to have a crew party for their birthday – date to be confirmed shortly!

Finally, I hope you all remain safe and well as we hurtle
