MESSAGE FROM THE HEADTEACHER

Dear Families

I hope this newsletter finds you all keeping well – and keeping going, as we all work to flatten COVID-19 once and for all this year!

The children have all been utterly magnificent in returning and we all feel deeply proud of each and every child. Their resilience and optimism astounds me.

We have had a great three weeks – celebrating World Book Day together, then Red Nose Day and Wear Blue for Bobby – and this week our ‘Eggstravaganza’ celebrating people who have made a difference to the world, past or present! We also have our Awards Assembly on Wednesday for those children nominated in the Autumn term who missed it in January.

Our Key Stage 2 school library is almost complete and we will be able to start loaning some of our wonderful new books for reading for pleasure after the Easter holidays. This is so important for all our children, for their futures.

Finally, I really hope you can all enjoy the Easter break and whilst we remain in lockdown, still enjoy the better weather, longer days, beginnings of Spring, church Easter activities – and of course, the chocolate eggs!

Warm regards and look after each other
Andrea Curran
