MESSAGE FROM THE HEADTEACHER

Dear Families

I hope this newsletter finds you all well and enjoying the warmer weather.

Thank you to all of you for engaging so readily and willingly in our Parents Evening by phone. We appreciated you talking with your child(ren)'s class teacher, especially in what has been another turbulent academic year. If you missed your call, it is really important that we check-in with you this term, so please do just ask the office for another call slot and we will be in touch.

It has been a joy last week to see our Key Stage 2 children starting to choose books from our own school library. We have set up a full electronic library system and will continue to stock up with new, thrilling books for our children. When they are brought home, please support your child to take good care of them – they are precious to us at SVP!

We are also delighted to welcome our new neighbours at Jackson Gardens. Next Friday is 'Better World Day' and each Crew is making a welcome card and gift for the new residents. We are thoroughly looking forward to establishing a close and respectful relationship with our neighbours.

Thank you to you all as we continue with the ongoing Covid measures in school. At present, our school national guidance has not changed, but when it does, we will be able to start to review how we adapt. Some of the measures have actually helped our school organisation such as lunchtimes and play, whilst others' are simply, a pain, such as wearing face masks and operating a one-way system!

Finally, I hope you all have a good week and the sun stays out.

Warm regards
Andrea Curran
