

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on the school website.

Stockbridge Village Primary's Vision for the Primary PE and Sports Premium

Stockbridge Village Primary is committed to improving the PE and Sports provision in the school. To help achieve this the school has created an action plan for the 2021/22

The school has received £17,680. £16,000 plus £5 for each pupil in Y1-6, the DfE uses figures from the January 2021 School Census to achieve the final figure.
