Nursery

If you have children in your family who are approaching 3 years old, then please come to the office to put their names down for nursery places as soon as possible.

Dogs on the Yard

Please remember that even though we do love our furry friends we do not allow dogs on the yard unless they are small enough to be carried. Thank you for supporting us with this.

Dear Families

I hope you are all keeping well and now enjoying the warmth and sunshine.

It is lovely to have the sun...but please do ensure children have water bottles, sun hats for our youngest children and sun cream on as required each day as we head into this warm weather.

This is one of the most joyous and busy terms with children regularly out on field trips, learning outside when they can, and just so much stuff happening! We are also already thinking ahead and planning next academic year too, so forgive us all if we forget something and do ask us if you think we have dropped a proverbial plate! Although, after the Circus Skills workshop, we now know Mr Fraser is quite the plate spinner and Hula Hooper!

I am sure you all read my letter explaining that Beth Flexen is leaving us soon, which makes us feel sad – however, we are delighted for her and very happy we will continue doing some work together as a school, with her role in the community.

Teachers and children are currently busy reflecting on the years' learning and progress made by your extraordinary and intelligent children, in writing their End of Year Reports – I have already heard some truly amazing reflections from children. We must never, ever underestimate them...they are each a wonder.

Do look on the website for dates and ParentApp for upcoming events as it is busy, and I hope many of you will be able to join your children for their 'Open Door' session with you this term.

Take care and enjoy the weekend when it arrives.

Warm regards

Andrea Curran

WORK OF THE WEEK

Celebration Assembly

Friday 10th June 2022

Nursery: Archie for his fantastic work on phonics. Archie is already showing a wonderful attitude to learning which has reflected on his phonic knowledge. He was confidently able to identify letters in newspaper print.

Reception Crew: AJ for his fantastic poster – independently done. Kind helpful feedback means he has already improved it. But his going to do a final version for the gallery.

Crew 1: Millie for her beautifully presented project work all about the seasons – she used key vocabulary to describe what each season would contain.

Crew 2: Frankie for mastering his phonics skills to write independently. Frankie retold the story of Bog Baby by recognising key events and writing sentences about them.

Crew 4: Mia-Bella for her wonderful poem based on the 'Sound Collector' that really gave an essence of going the match.

Crew 5: Darcy for her excellent work writing simple, compound and complex sentences using subordinating and co-ordinating conjunctions.

Crew 6: Carl for his super work on ratio. Carl has produced a wonderful piece of writing based on his life so far.

2022/2023 SCHOOL START DATE: We have now finalised all Term Dates for the next academic year 2022/2023 with Governors. These are on our website. To assist you for this summer holidays, Thursday 1st and Friday 2nd September will be Inset days with children returning on Monday 5th September 2022 for the next academic year.

Please, please do not book holidays in term time – every day counts at school for your children.

WORK OF THE WEEK

Celebration Assembly

Friday 20th May

Nursery: David for his wonderful effort with writing his name. He showed persistence and determination.

Reception Crew: Kaiden for his information book about whales, writing in sentences and using his phonics. Really trying hard with everything he does.

Crew 1: Louis for his hard work and dedication to his maths, not just this week but every week. Well done Louis!

Crew 2: All of Crew 2 for their fantastic effort in all of their SATs – and for surviving Mr Fraser acting like a crazed man!

Crew 3: Tiger, William, Grace and Alannah for wonderful teamwork performing the poem Chocolate by Michael Rosen.

Crew 4: Macy May for your wonderful adversity narrative. You improved your work using a rubric draft after draft.

Crew 5: Joseph excellent work on conversions between decimals, fractions and percentages. Also sharing his knowledge with his peers.

Crew 6: William for his excellent WW2 story. William was able to edit and redraft his work using toolkit/rubrics.
