

Dear Families

You may have heard that our school is developing our playtimes. Follow this QR code to see an example of things another school has done ...

We are trying to gather lots of open-ended resources which we can use to make our playtimes really exciting and stimulating for all our children.

Please see the reverse of this letter for the sorts of things we are collecting

If you have any of the items on the back of this leaflet that you (or any family members) can donate to school, we would be very grateful. If you have any other things which you think may be exciting for playtimes, then please chat to us

If you have any links to any trades or shops and feel you would be able to help us source items such as crates, drums, reels, guttering, pipes, planks, tyres, wheels, or any interesting loose parts then please contact us
