

School Council Agenda

Wednesday 24th September 2025

Wednesday

Children to move to their school council group

Pick up Y2 children from their classrooms.

One child to stay with group while one picks up children.

Community Building Games:

21 – each child counts on 1, 2, or 3. The person who says 21 is out. Last person standing is the winner.

Discussion:

- Teach the children the five British Values: Tolerance, Rule of Law, Individual Liberty, Democracy and Mutual Respect (use the memory game we played in class to help children remember)
- Focus on our core value of care: Does this link with any of the British Values?

Diary for next week:

Monday	Art/Drama/History/Sports Clubs
Tuesday	
Wednesday	Harvest Assembly/Y6 Football Club
Thursday	
Friday	Whole School Assembly

Items for attention:

- Some rubbish was found on the yard at the end of break time. This is harmful to the environment and all rubbish should go in the bin.
- From today onwards, the prefects will be leading classes to and from the yard at break time to set expectations. Explain the expectations we expect whilst walking around school and on the corridors.

British Values:

Tell the children that we will be recapping the five British Values in assembly and during the next School Council Meeting.

Safeguarding:

Recap the age you should be before going on Social Media sites as learnt in Computing.

Return to class
