Headteacher's Update

Dear Parents,

We are now six weeks into the school year, and it's been an absolute joy to see our pupils settling in so well and embracing all the learning and activities around the school. The classrooms are full of energy, curiosity, and creativity, and it's clear that the children are really enjoying being back together with their friends.

As we approach the end of our first half-term, it's exciting to reflect on everything we've already packed into the term so far— exciting lessons, events, and special activities that have made our school days so memorable. There is still so much to look forward to in the final two weeks, with plenty of opportunities for learning, fun, and celebration. Next week marks the start of our Parent's Evenings, which will continue for 2 weeks, and we are really looking forward to welcoming you into school. This is a wonderful opportunity to see your child's classroom, meet their teachers, and celebrate the progress they have made so far. Please make sure you have arranged your date and time so we can ensure everyone has a warm welcome and plenty of time to share all the fantastic things happening at SVP.

Thank you, as always, for your continued support—it really makes a difference and helps us create such a positive and thriving school community.

Best wishes,

Mr Austin

Attendance: Good attendance is one of the most important factors in ensuring that children make progress at school. Every day counts, and when pupils miss school, they miss out on valuable learning, routines, and friendships. We ask all parents to support us in promoting excellent attendance. Below are the attendance figures for each year group this week:

Group	% Attend
REC	88.5
Class 1	93.8
Class 2	92.9
Class 3	99.1
Class 4	87.9
Class 5	95.1
Class 6	89.2
Totals	92.3

Well done to Year 3 and Year 5 who have achieved our school target of 95%
